

**641—80.7(135) Local board of health services.**

**80.7(1) *Program purpose.*** The purpose of this program is to increase the organizational capacity of county boards of health to develop conditions for healthy people and healthy communities through public health nursing, home care aide, core public health functions and population-based essential public health services in Iowa.

**80.7(2) *Program services.*** Local board of health services include public health essential services as defined in rule 641—80.2(135).

**80.7(3) *Appropriation to county board of health.*** The funding supports the efforts of local boards of health in addressing specific health priorities in each county. The appropriation to each county board of health is determined by the following formula: 30 percent of the total allocation shall be divided so that an equal amount is available for use in each county in the state. The remaining 70 percent shall be allocated to each county according to the county's population based on the department's current published vital statistics.
